

Good Health Greensboro is seeking a practitioner of Acupuncture and herbal remedies to join our growing clinic. We have a fully established base of chiropractic patients who have additionally received musculoskeletal-based acupuncture treatments. Our clinic is for patients who are struggling with pain, kept away from the activities they love. We have been operating for 7 years providing award winning care to our community.

We're looking for a practitioner to offer more services beyond musculoskeletal issues particularly for:

Women's reproduction and hormone support

Weight management

Holistic wellness outcomes

PTSD

If you're a new or seasoned practitioner who strives for excellence, join us to make a positive impact.

What we offer:

- Competitive split pay 40-50% based on training of services and herbal formulas, we estimate you'd earn \$70,000 to \$140,000+ by end of 2nd year
 - Commission on herbal formulations
- No start up costs, we cover malpractice, supplies, admin – basically all costs associated with practice and we send patients your way
- Retirement match
- Health care stipend
- Complimentary care for you and your dependents/partners
- Paid time off
- Veterans Affairs approved

Ideal Candidate:

- NC acupuncture license or in process of fulfilling & Graduation from an accredited Acupuncture school
- Enjoys operating 2-3 rooms at a time and a fast-paced environment
- Works well in a collaborative interdisciplinary clinic

- Is passionate about helping our patients live their ideal lives by increasing their joys and decreasing their pains thru our natural healing approach and clinical operations

Schedule

- Full time - M-R 8hour
