

We're a 5-star rated, 2.5 year old practice on a mission to transform people's lives with TCM, patient empowerment and inspiration. We're experiencing expansion and seeking inspiring healers with high energy and a positive can-do attitude, someone who is passionate, has great customer service skills, is coachable, organized and enthusiastic towards learning our style of practice and the goals and purposes of our clinic. We're located in beautiful Downtown Redmond (Microsoft, Google and Amazon nearby), 15 minutes from Seattle.

Requirements:

- Availability: 40-55hours a week
- Must have the flexibility to work non-traditional hours including some early mornings and evenings, some weekends and holidays
- Enthusiasm to learn in-depth pulse diagnosis, herbal prescription and distal needling methods
- Enthusiasm to treat 15+patients a day with a high satisfaction level
- Enthusiasm to do a variety of tasks to support the business and its growth

What we offer:

- Lucrative career with growth and equity opportunity
- Benefits + Bonus + perks including tuition to various professional and self development seminars/webinars and proprietary learning materials for those that qualify
- A positive and supportive work environment with like-minded practitioners

Please send resume and a cover letter to [info@swissacu](mailto:info@swissacu) and tell us about your life mission and why you would like to be considered for this job.

After consideration, we will require a phone interview and if selected, we will pay for flight/stay in Redmond, WA for another interview.
