

I have two rooms currently available to sublet in a beautifully restored historic Victorian house, very close to downtown Asheville and I-240. I am an acupuncturist and herbalist and this has been my favorite space to treat. I would love to welcome another acupuncturist or two. Must have own liability insurance. There is a dedicated parking lot in the back for the building, so very easy parking for patients. Both rooms are on the first floor and are handicap accessible. The building is mostly shared with mental health therapists, so it has a quiet, zen vibe. The building itself was just repainted, all new lawn care, and brand new carpet in the hallways. You will get to put your name on the front door directory and room name plate and have opportunity to create referrals with other therapists in the building. There is a hallway waiting area set up in the hallway outside of both rooms. Both rooms are fully furnished. Six month lease required.
