

Acupuncture Practice for Sale in Beautiful Sheridan, WY

Well-established acupuncture practice for sale in beautiful Sheridan, WY. Powder River Acupuncture has been serving Sheridan County on the western side of the Big Horn Mountain range of Wyoming since 2006 and has an excellent reputation and loyal patient base. Sheridan County has a population of approximately 29,000 people, and there are 2 other licensed acupuncturists in the area. We have patients from neighboring Johnson County, population 8,500 people, as well as from southern Montana. This is an excellent opportunity to step into a fully functioning clinic which has been continuously located in the attractive historical Old Post Office Building in the heart of downtown Sheridan. The office has two spacious treatment rooms and sizeable reception room with close access to bathrooms and a laundry room down the hallway. Sale includes acupuncture supplies and assortment of patent medicines. Patient files (103 new in last eighteen months), website, some office and treatment room furnishings are included as well. We would be glad to assist the new owner during the transition. Buyer is responsible for financing. For more information, please email pra@actaccess.net.
