

Acupuncture Practice In Greenville SC is looking for someone to join the practice starting out at as a part time position with the potential to move into full time. We are a busy clinic focused on women's and children's health. We have three acupuncturists on staff currently but need another. No experience needed and will train the right person if you are a good fit. Must have graduated from accredited acupuncture school and have NCCAOM and state license in SC. Must have good communication skills and friendly with public. Must be willing to be trained in our standard operating procedures in the clinic and have a short term shadowing process upon hiring.
