

Acupuncturist wanted for a part time contractor position in an established clinic in Roanoke, Virginia. The clinic offers community style, private practice sessions, and herbal medicine with a herbal pharmacy on site. Clinic is located in a wellness center that also offers massage, nutritional counseling, classroom space, and a vegetarian café.

Acupuncturist must:

- Have strong communication skills
- Be self motivated
- Be adept at working with technology, including POS software, Google suite, and scheduling software
- Be a good problem-solver and able to take feedback
- Have good with people skills and willingness to working in a team
- Be creative: always coming up with new ideas on how to improve our services, reach more patients, and engage our current patients
- Be well spoken and professional while bringing a sense of humor

Position has ability to grow with practitioner. Evening and weekend availability a plus!
New grads welcome to apply.
