3rd and 4th year students who are not dually enrolled have clinical internship shifts during the *Dual Enrollment/Completers Class weeks*.
1st and 2nd year students do not have classes during the *Dual Enrollment/Completers Class weeks*.

Summer classes are held following years two and three. Clinical Internship sessions run 42-46 weeks per year and interns have shorter breaks between semesters. Schedules for summer classes and clinic are available in the spring semester.

The College reserves the right to make changes to the academic calendar if necessary.
