

RELOCATE TO BEAUTIFUL SAN DIEGO CA:

Successful hybrid community acupuncture clinic for sale in San Diego to include two fully operational and professionally staffed locations. Both clinics are located in fast growing San Diego neighborhoods. The owner is relocating out of state. Established in 2009, the practice averages 792 new patients annually with a loyal, recurring patient database of over 7500, an annual patient volume of 5900 visits, and annual revenues of \$298,000 plus. Both clinic lounges are fully equipped and designed to provide “community acupuncture” as well as private sessions. Expansion of services to include classes, specialty practices in addition to the distal lounge treatments will create more revenue generating potential. All active patients have been converted to digital files and uploaded to the clinics EMR. Owner willing to provide training/support in the patient transition and staff integration.

Perfect opportunity for expansion of locations of existing alternative medical clinics, or, for a new graduate wanting a turnkey, fully operational and thriving practice while enjoying America’s Finest City.
