The College reserves the right to make changes to the college calendar and academic calendar as necessary.

MAOM/Dual: New Student Orientation is mandatory for all new MAOM/dually enrolled students. Semester Orientation is held the Friday prior to the first day of classes each semester. Attendance at these all-school meetings is mandatory for all MAOM/dual students. See course syllabi for specific online and in-person class dates, including schedule adjustments for the DACM exclusive class week. MAOM summer classes are held following years two and three. MAOM Clinical Internship sessions run 42-46 weeks per year and interns have shorter breaks between semesters.

DACM: DACM online classes typically begin before MAOM classes. Approximately 6 weeks earlier in summer/fall and 3 weeks earlier in the spring semester. Class start dates are announced prior to each semester. The DACM program includes one week of required in-person classes.

CCHM: The CCHM program operates on a separate class schedule and calendar. Refer to website for details.
